CetraFire

Fire Protection

Flame shutter;

The CetraFire Flame Shutter is the perfect solution where fire protection is needed alongside security. Built with the same attention to detail as the rest of the Cetra range, the flame shutter is available with a 1, 2 or 4 hour fire rating offering a solution for most requirements.

Main benefits include;

‣ Creates an effective barrier providing valuable time for evacuation
‣ Can Massively reduce the spread of a fire
‣ Automatically closes in the event of a fire, fire drill or a power cut using a battery backup
‣ Available in a range of colours
‣ Available with 3 integrity options
