

# CetraGuard 1001

## Insurance approved

### At a glance;

The CetraGuard retractable gate system combines a classic appearance with effective protection, ideal for the office and commercial premises.

### Tested and approved

The **high security** 1001 is tested and approved to LPS 1175-1. The system can be easily fitted to the face or reveal of a window or door aperture and can be specified in a single or double-sash configuration. Where a clear walk through is required CetraGuard's bottom track can, as an optional extra, be made to fold up.
