

CetraGuard1000

Elegant good looks with a heart of steel

At a glance;

The CetraGuard1000 is the perfect alternative solution to your security needs. The CetraGuard1000 is an exceptionally strong security barrier which is fully retractable meaning it can be effortlessly stowed away. When not in use these retractable gates are surprisingly unobtrusive; fitted to the door or window surround, they can disappear neatly behind curtains and a pelmet can be used to conceal the track.

Ideal for:

- Retail premises
- Offices
- Commercial premises
- Domestic properties
- Fitting in front or behind glass
- Where a lower cost manual option is required!

Advantages and spec include:

- Galvanised for corrosion resistance and powder coated
- Fully retractable system
- Excellent through vision when locked
- Multi-point locking from a single key
- Smooth running carrier system
- Custom built for any opening
- Where access is not required, a fixed sash option is available
- Unlimited width can be accommodated for in sections
- Can be fitted with a locking post at both ends to provide maximum flexibility of operation
- Quick and easy to operate
