

# New SecurityShield 3800

## Home Protection

### At a Glance;

The New SecurityShield 3800 series is perfect for the home. Not only does it blend your security solution into your surroundings but offers an excellent level of home protection combined with seamless ease of use. New Security can supply and/or install the New SecurityShield 3800 at some of the most competitive prices on the market. Our product can be made to measure to meet almost any specification required and be powder coated to any colour to allow the shutter to remain discrete.

### Main features of the 3800 series;

- ▶ Strong extruded aluminium curtain profile
- ▶ Medium to high security applications
- ▶ Spans widths up to 4000 mm
- ▶ Can be powder coated in special colours if required
- ▶ Can be mixed with New SecurityVision 38 where partial vision is required
- ▶ Can be fitted both internally and externally
- ▶ Available with radio motors offering smart group and individual control
