New SecurityGuard 1001

Insurance approved

At a glance;

The New SecurityGuard retractable gate system combines a classic appearance with effective protection, ideal for the office and commercial premisis.

Tested and approved

The high security 1001 is tested and approved to LPS 1175-1. The system can be easily fitted to the face or reveal of a window or door aperture and can be specified in a single or double-sash configuration. Where a clear walk through is required New SecurityGuard's bottom track can, as an optional extra, be made to fold up.
